Reshee: June 25, 1889.

Mr. Moore, the Post Master at Bradshaw, Va., after reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, concluded to try a small bottle of it. He says: "I used it in two cases for colic and three for diarrhea with perfect satisfaction. One dose gave relief in every case but one, that was a bad case of colic and required the second dose. I have handled a great deal of patent medicine as agent and for my own use, but never tried any that gave as good results as 'Chamberlain's Colic, Cholera and Diarrhoea Remedy.' For sale at 25 and 50 cents per bottle by H. J. Peto.

There was a terrible epidemic of dysentery and bloody flux in Pope County, Illinois, last summer. As many as five deaths occurred in one day. Messrs. Walter Brothers, of Waltersburg, sold over 380 bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy during this epidemic and says they never heard of its failing in any case when the directions were followed. It was the only medicine used that did cure the worst cases. Many persons were cured by it after the doctors had given them up. 25 and 50 cent bottles for sale by H. J. Peto.

Try some of Crosse & Blackwell's Jams. For sale at Wolcott's.

Fresh everlasting millet-seed at Hoefers.
